**Abstract:** India's New Education Policy (NEP) 2020 is a landmark document aimed at revolutionizing the country's education system. This research paper examines the pivotal role educator's play in the successful execution of the NEP 2020. Through a comprehensive analysis of policy provisions and qualitative research methods, this paper explores the challenges and opportunities faced by educators in implementing the NEP 2020 and highlights their contributions towards realizing its objectives.

**Keywords:** Education, Execution, NEP, Contribution, Educators
