**Abstract:** *It is no exaggeration to say that Makhtumkuli Firoghi is a thinker who made a great contribution to the development of the philosophical thought not only of the Turkmen people, but also of the entire humanity. It is no secret that the rich spiritual legacy of the poet, with his courage and strength, has taken a worthy place among the spiritual masterpieces left by the mature geniuses of mankind. The thinker, who created unceasingly in the face of his difficult living conditions and the difficulties faced by fate, and who ruthlessly denounced the existing evils in the society, has been receiving great respect and honor in the literal sense of the times. This article briefly analyzes the poet's advice on moral education.*

**Keywords:** Advice, motherland, interests of the nation, mutual respect, respect for parents and teachers, appreciation of the Motherland, hard work, high moral qualities, hospitality
